

Salvamento Marítimo

Centro Jovellanos

Training extraordinary people

The mission of Centro Jovellanos is to implement, develop and design comprehensive rescue and maritime safety training systems that are high quality, highly specialised, certified, innovative, and sustainable to ensure the most remarkable levels of professional training.

Train, provide, reduce, innovate and guarantee are the five key goals of the Jovellanos Centre, which is the training centre of the Spanish Maritime Search and Rescue Agency, a public entity dependent on the Ministry of Transport, Mobility and Urban Affairs.

TRAIN: Understand the needs of professionals and propose efficient solutions to act in emergencies.

PROVIDE: The necessary knowledge to implement tasks successfully at the workplace.

REDUCE: Reduce fatalities and damage to the environment through training, thus avoiding risks and accidents.

INNOVATE: Develop comprehensive virtual reality training methods that improve knowledge.

ENSURE: The implementation of our quality system when designing and developing our training activities.

COURSE

HELICOPTER UNDERWATER ESCAPE TRAINING. (HUET WITH EBS). PRODUCT CODE: 5095

TARGET GROUP

New personnel or personnel returning to work in the offshore oil and gas industry who will be using an emergency breathing system (EBS) during the helicopter flight to the facility.

Requirement: Trainees must provide an official medical certificate in force (e.g. certificate of fitness to sail, professional diving certificate, private official medical certificate, company medical certificate).

TRAINING

Objective: Trainees will demonstrate their ability to use safety equipment and follow preparedness procedures for and during helicopter emergencies in a simulated environment, in particular during the evacuation of a helicopter after an emergency ditching.

DURATION

The course consists of 6 hours and 40 minutes certified, it´s delivered over a period of 1 day.

PROGRAMME

Session introduction OIS-02 HUET-EBS
Helicopter travel
Helicopter emergencies
Practical helicopter escape techniques
EBS Equipment practical (dry). HUET (dry landing)
HUET Activities E.B.S Practical (wet)
HUET Dry evacuation on water onto heliraft
Practical helicopter escape techniques

CERTIFICATE

OPITO (Offshore Petroleum Industry Training Organisation) Registry.
Valid for 4 years.
