

The mission of Centro Jovellanos is to implement, develop and design comprehensive rescue and maritime safety training systems that are high quality, highly specialised, certified, innovative, and sustainable to ensure the most remarkable levels of professional training.

Train, provide, reduce, innovate and guarantee are the five key goals of the Jovellanos Centre, which is the training centre of the Spanish Maritime Search and Rescue Agency, a public entity dependent on the Ministry of Transport, Mobility and Urban Affairs.

**TRAIN:** Understand the needs of professionals and propose efficient solutions to act in emergencies.  
**PROVIDE:** The necessary knowledge to implement tasks successfully at the workplace.  
**REDUCE:** Reduce fatalities and damage to the environment through training, thus avoiding risks and accidents.  
**INNOVATE:** Develop comprehensive virtual reality training methods that improve knowledge.  
**ENSURE:** The implementation of our quality system when designing and developing our training activities.

## COURSE VESSEL TRAFFIC SERVICE INSTRUCTOR V-103/4

### TARGET GROUP

This course has been designed for vessel traffic controllers who have the IALA V-103/1 (operator) or IALA V-103/2 (supervisor) certificates.

### TRAINING

**Objective:** The course has been designed to develop the knowledge and skills required to perform the functions assigned to an instructor working at a VTS centre. The instructor will be in charge of on-the-job training (OJT) of future controllers that will be certified at the centre.

**Maritime legislation:** It strictly follows the IALA V-103/4 course model and the Resolution of the General Direction of the Merchant Marine of 6th July 2011.

### DURATION

The course consists of 18 certified hours, it's delivered over a period of 6 days.

### PROGRAMME

Design of a training programme at a VTS centre.  
Specific programme for the trainee.  
How to impart an OJT training programme.  
Assessment & Evaluation  
Compliance with professional skills.  
**Practical training:**  
Debriefing exercises.  
Public presentation exercises.  
Individual assessment exercises.  
One-on-one coaching.

### SIMULATOR

Two of the exercises shall be carried out on the VTS simulator at the Jovellanos Centre, which is connected to the Full Bridge ship handling simulator. The rest of the exercises shall be carried out in the classroom using recording and image reproduction equipment.
