

The mission of Centro Jovellanos is to implement, develop and design comprehensive rescue and maritime safety training systems that are high quality, highly specialised, certified, innovative, and sustainable to ensure the most remarkable levels of professional training.

Train, provide, reduce, innovate and guarantee are the five key goals of the Jovellanos Centre, which is the training centre of the Spanish Maritime Search and Rescue Agency, a public entity dependent on the Ministry of Transport, Mobility and Urban Affairs.

TRAIN: Understand the needs of professionals and propose efficient solutions to act in emergencies.
PROVIDE: The necessary knowledge to implement tasks successfully at the workplace.
REDUCE: Reduce fatalities and damage to the environment through training, thus avoiding risks and accidents.
INNOVATE: Develop comprehensive virtual reality training methods that improve knowledge.
ENSURE: The implementation of our quality system when designing and developing our training activities.

COURSE BASIC TRAINING IN MARITIME SECURITY

TARGET GROUP

This course is intended for all merchant navy crew members who are assigned specific security-related responsibilities and duties in accordance with the ship's security plan. It is also intended for port facility personnel involved in security duties who do not have the Ship Security and Port Facility certificate.

Requirements:

Crew members on board merchant ships who do not hold a Ship Security Officer Certificate are required to have the Basic Ship Security Training Certificate.

TRAINING

Objective: The goal, by the end of the course, is to have provided trainees with the necessary training to carry out ship security duties and responsibilities entrusted to them.

Regulations: STCW Code regulation VI/6, Section A-VI/6, Table A-VI/6-2 of the STCW 20Convention 78/95 as amended (Official Resolution of 18 June 2013 Manila Amendments 10)

Order FOM/2296/2002, of 4 September, which regulates the training programmes for the professional qualifications of Able-Bodied Seamen and Engine Ratings of the Merchant Marine, and of Harbour Masters, as well as the specialisation certificates accrediting professional competence.
