

Salvamento Marítimo

The mission of Centro Jovellanos is to implement, develop and design comprehensive rescue and maritime safety training systems that are high quality, highly specialised, certified, innovative, and sustainable to ensure the most remarkable levels of professional training.

Train, provide, reduce, innovate and guarantee are the five key goals of the Jovellanos Centre, which is the training centre of the Spanish Maritime Search and Rescue Agency, a public entity dependent on the Ministry of Transport, Mobility and Urban Affairs.

TRAIN: Understand the needs of professionals and propose efficient solutions to act in emergencies.

PROVIDE: The necessary knowledge to implement tasks successfully at the workplace.

REDUCE: Reduce fatalities and damage to the environment through training, thus avoiding risks and accidents.

INNOVATE: Develop comprehensive virtual reality training methods that improve knowledge.

ENSURE: The implementation of our quality system when designing and developing our training activities.

COURSE

ISF MARLINS TEST OF SPOKEN ENGLISH

TARGET GROUP

This course has been designed for Captains, Chief Engineers, and Officers of any type of vessel who wish to sail under a British flag or who require the Marlins written test.

EXAM

Marlins is a worldwide registered trademark of Seatec UK Limited. Marlins was originally established in 1994 to provide English language training solutions for the shipping industry. Since then, it has become a certificate acknowledged by a large number of shipping companies.

ISF MARLINS TEST OF SPOKEN ENGLISH

The Marlins Written Exam and the Marlins Test of Spoken English (TOSE) are methods acknowledged by the British MCA (Maritime Coastguard Agency) to assess English language skills to obtain the CEC (Certificate of Equivalence Competency).

Therefore, it is a highly-valued test in the world shipping industry, and the Marlins Test has actually become the only requirement for many shipping companies and crewing companies regarding fluency in English.

PROCESS

The test consists of two parts and takes about 20 minutes to complete:

Part A: A personal interview with some introductory questions to establish the trainee's level (Basic / Intermediate / Advanced).

Part B: Two parts adapted to the trainee's level:

Description of images / situations.

Topics for discussion and "Role Play".

For more information on the steps required to obtain the Certificate of Equivalence, please go to www.mcga.gov.uk

DURATION

The test will take about 20 minutes to complete.
